

7TH ANNUAL PROJECT FIBONACCI[®] STEAM LEADERSHIP CONFERENCE

THE SCIENCE OF THE UNKNOWN
JULY 27-AUGUST 3, 2025 - ROME, NY

ADOPT A SCHOLAR CORPORATE CHALLENGE

You can make a difference by sponsoring at least one student to attend the 7th Annual Project Fibonacci STEAM Leadership Conference

WE NEED YOUR HELP

2025 Adopt a Scholar Campaign

We invite you to participate in helping local students attend the 7th Annual Project Fibonacci STEAM Leadership Conference. In 2024, through the support of local organizations, sponsors, donors, and schools, all our STEAM Scholars had their tuition fully covered. We are thrilled to continue this meaningful initiative in 2025 and look forward to your valued involvement.

The conference equips students with essential skills for the workforce, focusing on crucial soft skills like leadership and communication. By investing in our youth, we aim to inspire the next generation to stay in our community and pursue their academic and professional goals, creating a lasting positive impact.

Your tax-deductible donation will cover the all-inclusive tuition for these deserving scholars, giving them access to invaluable learning opportunities. Let's unite to empower our future leaders and shape a brighter tomorrow.

As business leaders, we have an obligation to our employees and community to help create a brighter future. One day to this is by sponsoring your employees' children, interns, or anyone you feel would benefit from attending the 2025 STEAM Leadership Conference. The company with the highest number of students sponsored will receive wide media recognition plus complementary passes to our celebrity/guest speaker and social networking events.

Tuition Update for Project Fibonacci Foundation, Inc.

In response to rising expenses, the Project Fibonacci Foundation, Inc. has decided to raise student tuition to \$1,895. This change is crucial to continue offering outstanding educational experiences, and it still represents a significant discount to make attendance accessible for as many students as possible. Since our establishment in 2016, we have kept the original tuition rate, but starting in 2025, this adjustment is necessary. We sincerely value your continued support and would greatly appreciate any consideration of contributions towards the tuition of students in need, helping them participate in the 7th Annual STEAM Leadership Conference.

STEP ONE

MAKE THE COMMITMENT

Fill out the Adopt-A-Scholar sponsorship form to indicate the number of students you'd like to sponsor.

STEP TWO

SELECT THE SCHOLARS

Already have students in-mind?
Complete the nomination form!

If you don't have a specific student, we have many students that apply for tuition assistance. Our team can match you up with a student who needs your support!

Spread the Word! Make an announcement at staff meetings, post notices on billboards and in company newsletters, and socialize that you are actively seeking to nominate students interested in attending.
