Women Rising

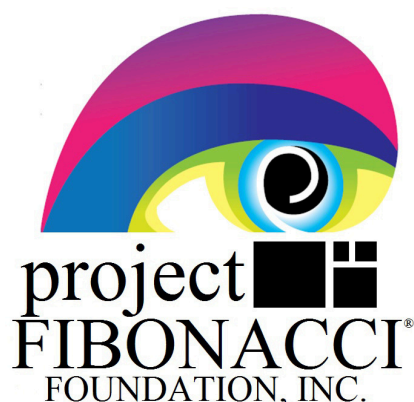

THIRD ANNUAL SYMPOSIUM

MARCH 3, 2025

BECOME A TABLE SPONSOR

Together, let's inspire and empower the leaders of tomorrow!

The Project Fibonacci® Foundation, Inc. is thrilled to present the third annual STEAM Women Rising Symposium, scheduled for March 3, 2025. This exciting event will convene over 150 students and their educators from across Central New York, all united by the mission to empower the next generation of formidable female leaders. By supporting these young students, you play a crucial role in their journey of learning and growth. Let's work together to create an inclusive and inspiring environment that nurtures their ambitions.

FEEDBACK FROM 2024

"It was very fun! I met a lot of very inspiring people and heard a lot of stories that make me feel more confident and seen."

"I was blown away! It was one of the best panels and discussions I've attended in 20+ years of education!"

"It was incredibly inspiring to see successful women in STEAM encouraging the next generation of us to pursue our dreams!"
