

7TH ANNUAL

PROJECT FIBONACCI[®] STEAM LEADERSHIP CONFERENCE

THE SCIENCE OF THE UNKNOWN: LIVING IN A MATERIAL WORLD JULY 27-AUGUST 2, 2025 - ROME, NY

Join the "Adopt a Scholar" Campaign: Empower Future Leaders

WE NEED YOUR HELP

The Project Fibonacci[®] Foundation is inviting local businesses to participate in the "Adopt-a-Scholar" campaign for the 7th Annual STEAM Leadership Conference, taking place from July 27 to August 2, 2025, at the Griffiss Business & Technology Park. Students from across New York State and beyond will delve into the theme, "The Science of the Unknown: Living in a Material World," concentrating on critical thinking strategies, effective communication, and topics in materials science. Participants will interact with local industries and professionals, aiming to cultivate a modern, forward-looking STEM workforce for our region.

Why Get Involved?

By supporting this initiative, you are investing in the next generation of innovators and STEM leaders. Sponsoring a student allows your tax-deductible contribution to cover their tuition in a form of a stipend under our Scholarship Fund, ensuring that financial constraints do not hinder enthusiastic learners from joining. As a business leader, this is an opportunity to nurture local talent, aid in community revitalization, and contribute to a promising future.

Sponsorship Benefits

- **Empowerment:** Equip students aged 15-19 with the tools and skills necessary to address real-world STEM challenges.
- **Community Impact:** Enhance our local economy by making education accessible and motivate students to pursue their academic and career aspirations within our community.
- **Recognition:** You will receive periodic updates on your sponsored scholars, be prominently recognized in our promotional materials, and be invited to join us for exclusive conference events.

Get Involved

In addition to financial support, we invite workshop presenters and volunteers to engage in this week-long conference. This is a fantastic opportunity to directly mentor and nurture our future leaders.

Act Now

Support the Adopt-a-Scholar campaign and play a role in nurturing the next generation of innovators and leaders. Let us empower our youth and invest in a future where every student has the opportunity to thrive. Students are signing up now and need your assistance.

2025 Tuition Update

Due to inflationary factors, the all-inclusive tuition cost has increased to \$1,895. This adjustment is essential to maintain high-quality education while still providing significant discounts to ensure accessibility. This is our first tuition increase since inception in 2016. We greatly appreciate your continued support and welcome contributions to help students participate in the 7th Annual STEAM Leadership Conference.

STEP ONE

MAKE THE COMMITMENT

Fill out the Adopt-A-Scholar sponsorship form to indicate the number of students you would like to support. We provide bulk discounts on multiple scholarships.

STEP TWO

SELECT THE SCHOLARS

Already have students in mind?
Complete the nomination form!

If you do not have a specific student identified or named, we have many students that apply for tuition assistance who would appreciate support. Our team can match your scholarship funding with students who need it!

Spread the Word!

Make sure to announce the campaign at staff meetings, display notices on billboards and in company newsletters, and engage in actively promoting student nominations with colleagues.
