

WANT TO CHANGE THE WORLD? BECOME A STEAM SCHOLAR!

SUMMER 2023 - ROME, NY

PROJECT FIBONACCI® STEAM LEADERSHIP CONFERENCE

We're looking for motivated students that want to make a difference in the world by working closely with world-renowned STEAM professionals and students from across New York State! Our world is home to 1.8 billion young people, making it the largest generation of youth in history. Together, you can make a difference by developing sustainable solutions for a better tomorrow.

CONFERENCE THEME: ADAPTING TO CLIMATE CHANGE: SUSTAINING OUR PLANET, ITS OCEANS AND THE GLOBAL POPULATION

Hands-On Learning

Participants are exposed to in-depth STEAM content, cutting edge innovations, and hands-on workshops that provide STEAM Scholars with the confidence and skill set to excel in their academic and professional pursuits.

Academic Advantage

STEAM Scholars gain the advantage of adding the completion of the STEAM Leadership Conference to their college resumes, giving them an edge that has proved successful for past scholars. Internship opportunities have also been presented by local companies.

Create & Collaborate

Students- LIKE YOU!- from all over New York State and beyond will work together to come up with creative solutions. Meet new friends, enjoy social activities, and even meet cool celebrity keynote speakers!

WHAT PAST STEAM SCHOLARS SAY:

"The skills I have taken away from this week I will use for the rest of my life and career. This conference has truly opened my eyes to the world."

"I learned how to express myself with passion & technique."

"Project Fibonacci helped me get out of my comfort zone"

"I really enjoyed the workshops. Being able to interact and make friends with other people my age while still productively learning something was very nice."
