

TAP INTO STEAM

Goes Gold

10-Year Anniversary Celebration & Community Fundraiser

Tap Into STEAM is an annual fundraising event that brings together community members, businesses, leaders supporting STEAM education, future workforce opportunities, and nonprofit collaboration across the region.

As part of this year's event, we are also celebrating 10 years of impact through the Project Fibonacci Foundation—marking a decade of innovation, connection, and meaningful community support.

Now in its 4th year, Tap Into STEAM has raised over \$50,000 in support of more than 20 nonprofit organizations across Central New York. We invite businesses, organizations, and supporters to help make this year's event our most impactful yet through donations, sponsorships, and featured auction contributions.
